*Remember to say:*

- *which disasters can happen;*
- *which of these disasters are common in your country;*
- *which is the most serious to you, and why.*

*You have to talk continuously.*

### **6. Написать письмо личного характера:**

You have received a letter from your English-speaking pen-friend Mary who writes:

*...My aunt lives in Arkansas and last week her house was ruined by a tornado. What do you think are the most horrible natural disasters? Which of them are typical of the place where you live? What can people do to protect themselves from them?*

Write a letter to Mary. In your letter answer her questions. Write 90-100 words.

Remember the rules of letter writing.

### **7. Complete the text:**

#### **Global Issues**

I would like to tell you about global issues in the world. First of all, I want to say that people have lived in our planet Earth for centuries and \_\_\_\_\_. In ancient times the biggest global problem was wars. Today, there are more global problems \_\_\_\_\_: ecological problems and social, economic and political issues.

The first category includes ecological destruction, pollution and global warming as the result. The second category of global problems deals with social, economic and political issues. They include global terrorism, poverty, human rights, health issues, racism and many others. We are faced \_\_\_\_\_. And more and more countries are suffering from it. It is difficult to catch terrorists and prevent their acts.

Poverty is another global problem. The worst situation is in Africa where people (mostly children) die every day of hunger. \_\_\_\_\_ affect the poorest society.

Another global problem is racism, \_\_\_\_\_.

To sum it up, we live in the 21st century and humanity has made a great progress in technology, so I think that it is strange that we still have global problems, especially the ones that deal with social, economic and political issues. I am sure \_\_\_\_\_.

- A. when people of different races and different skin colour are humiliated and even killed
- B. Problems of hunger, malnutrition, illiteracy and diseases
- C. global problems have always existed
- D. that they can be solved completely without any conflicts or wars
- E. with the problem of global terrorism.
- F. which can be divided into two categories
